

# ABOUT US

Great Local Delivery (GLD) is a delivery company that focuses on providing fast, reliable and affordable delivery services to individuals and businesses across Greater Vancouver.

GLD's goal is to provide secured transportation of any goods ranging from groceries to home appliances within 2-12 hours. GLD has an industry-leading logistic system that has implemented a central warehouse process that creates more efficient shipments. With this system, deliveries could be processed much faster and at lower cost, thus GLD is able to offer delivery services at a more affordable price.

GLD is developed by Foreseason Technology Inc., an award-winning technology firm in Richmond that has been specialized in IT security, electronic manufacturing and EV charging solutions for over 19 years.

# HOW TO SHIP

1. First visit our website or download our mobile app.
2. Then provide the basic item details such as weight, dimension, pickup and dropoff place and time. Our smart calculator will automatically prepare an optimized shipment rate base on the information you have provided.
3. Next, make the payment to confirm the shipment
4. A GLD driver will arrive at your requested place and time to pick up your item.
5. During the delivery process, status will be updated at each step.  
You will receive a notification once your shipment has been delivered.

## OUR BENEFITS

### Competitive Delivery Fees

Our advanced logistic system allows us to greatly reduce our expenses during shipments, and we provide that value back to our customers.

Simple pricing with no hidden fees: Our smart calculator solely base shipment rate on item type, dimension, weight, distance and time

### Anytime, Anything, Anywhere

GLD's service is available for users 24 hours a day and 7 days a week. We allow users to ship whatever they wish with the exception that the item(s) is not illegal, unsafe and unethical.

### Simple and Easy

Our easily navigable platform for both the mobile app and website allows users to have their order processed within a few minutes. With our simple UI interface, anyone will be able to use our services.

### Secure shipping

Our drivers will be trained to handle your package with utmost care and will be required to provide pick-up and delivery confirmation snapshots available on our platform.
