

## ABOUT US

Great Local Delivery (GLD) is a web and app-based platform that provides on-demand and last mile delivery service to individuals and businesses across the Greater Vancouver Area and beyond.

GLD was developed by Foreseason Technology Inc. a technology firm in Richmond that has been specializing in IT security, electronic manufacturing and EV charging solutions since 2001.

Foreseason is the proud recipient of Richmond Chamber of Commerce's Richmond Business Excellence Award" for "2020 Large Business of the year".

## HOW TO SHIP >>>>

1. Visit the GLD website or mobile app to get an instant shipping quote. You will need to provide us the basic information for your shipment such as product type, to and from locations and delivery time.
2. Make the payment to confirm the shipment.
3. A GLD driver will promptly arrive at your requested location and time to pick up your shipment.
4. Tracking and notifications will be provided throughout the delivery process until your shipment arrives safely at the destination.
